

***Where the Big Ones ...
Keep Getting Bigger!***

Ranked as one of the best places to catch large Walleye and Northern Pike in North America! We offer a modern 5600sq ft lakeside lodge with 8 bedrooms, 10 bathrooms, satellite tv, a pool table, a panoramic view and TONS of excellent food. Our lodge is located in a semi remote area. Our packages include a LUND 16-18ft boat with a 40-50Hp motor, gas, fishing guide, 3 meals per day, private bathroom per bedroom, full size shower, toilet, and sink. Double to quad occupancy. Extras are Airline tickets, hotel accommodations in Saskatoon, SK, fishing license, fish bait, alcohol and gratuities for cooks and guides.

Quality huge Northern Pike and Walleye are caught daily on our lake which holds the Walleye provincial record at 18lb 6oz (caught, weighed and released). The largest Northern Pike caught was 38lb. We run a first class operation with many corporate guests who come up here to relax and enjoy our beautiful lodge, fishing, wildlife and great meals. The best times to land a monster are late May, June, early July, September and early October.

All this and much, much more awaits you at Saskatchewan River Fishing Camps Ltd.
